

KATHERIN SHASKY MACHADO CACAO

Economics & Data Science · Aspiring Data / Financial Analyst

Chiavari (Genoa), Italy | +39 375 563 6535 | katherincacao@gmail.com

PROFESSIONAL SUMMARY

Master's student in Economics and Data Science (University of Genoa) with a solid quantitative foundation and a 110/110 Bachelor's degree in Banking, Finance and Financial Markets. Skilled in Python, R and econometric analysis — OLS regression, time-series and statistical learning — combined with hands-on customer-facing experience that built strong communication, teamwork and problem-solving skills. Trilingual (Spanish native, Italian C2, English B2), organized, disciplined and adaptable, seeking a junior data or financial analyst role where I can turn data into actionable business insight.

TECHNICAL & ANALYTICAL SKILLS

- **Programming & tools:** Python, R, Microsoft Excel, Word, PowerPoint
- **Data & econometrics:** OLS regression, time-series analysis, statistical learning, advanced econometrics, data management & processing
- **Quantitative & finance domain:** corporate finance, financial mathematics, banking & financial markets, micro- and macroeconomics
- **Soft skills:** communication, teamwork, problem-solving, adaptability, working effectively under pressure
